

exchange must determine whether to proceed with the exchange, modify the exchange to reflect the findings of the arbitration or any other factors, or withdraw from the exchange. A decision to withdraw from the exchange may be made upon written notice by either party at this time or at any other time prior to entering into a binding exchange agreement.

(4) If the parties agree to proceed with an exchange after arbitration, the values established by arbitration are binding upon all parties for a period not to exceed 2 years from the date of the arbitration decision.

An arbitrator may not include in an award decision recommendations regarding the terms of a proposed exchange, nor may an arbitrator's award decision infringe upon the authority of the Secretary to make all decisions regarding management of Federal lands and to make public interest determinations.

**§254.12 Value equalization; cash equalization waiver.**

(1) Modify the exchange proposal by adding or excluding lands; and/or

(2) Use cash equalization, after making all reasonable efforts to equalize values by adding or deleting lands.

(b) The combined amount of any cash equalization payment and/or the amount of adjustments agreed to as compensation for costs under §254.7 of this subpart may not exceed 25 percent of the value of the Federal lands to be conveyed.

(c) The Secretary of Agriculture may not waive cash equalization payment due the United States, but the parties may agree to waive cash equalization payment due the non-Federal party. The amount to be waived may not exceed 3 percent of the value of the lands being exchanged out of Federal ownership or \$15,000, whichever is less.
